Important Links

- My email ID: sakib.csedu21@gmail.com
- My phone: 01670924881*

***Please consider calling me only in case of emergencies as I remain busy most of the time. Otherwise, email-ing is fine!**

Class Format

- 1:45 hours to 2:00 hours typically for class
- Last 15 minutes for questions from students
- One long contest for multiple similar modules
 - ◆ vjudge.net
 - ◆ manager: devskill_comp
- One short contest every 2 weeks
 - ◆ Will not clash with codeforces or codechef rounds
 - ◆ 2-3 hour long

Honor Code

- Long Contest:
 - ◆ Treat them like practicing offline. Take any help you need from anywhere.
- Short Contest:
 - ◆ Treat them like real onsite (not online) contests. Do not take any help during the contest. Do not use internet during the contest to get help. After the contest you are free to do anything.

Miscellaneous

- 1-2 ICPC style team contests towards the end of the course
 - ◆ Make 3 member teams amongst yourselves
 - ◆ Or we will randomly pair up 3 students who are interested in the team contests.
 - ◆ 5 hour team contests
 - ◆ Details: later

Class Recording Policy

- Generally, we DO NOT provide class recordings to any student.
- However, you can make requests (up to 4) for class recordings to DevSkill with proper explanations of why you couldn't participate.
 - ◆ Send an email to me (with proper explanation) for class recordings.
 - ◆ In that email, clearly mention your name, batch number, class number you missed with date.

-
- Feel free to ask suggestions in DevSkill FB group.
 - Feel free to post any problem in the DevSkill CP FB group.
 - Do not knock trainers personally unless the problem is personal.

Happy Coding!
